Press Release

Legendary jazz keyboardist and composer Tom Schuman, known for his four-decade-long association with the iconic band Spyro Gyra, is set to release his much-anticipated ninth solo album, "**I Am Schuman**," on September 30th under Sandeep Chowta's record label, Namma Music.

This album marks a significant new chapter in Schuman's illustrious career, offering fans an intimate glimpse into his artistic evolution post-Spyro Gyra.

"I Am Schuman" is not just an album; it's a declaration of Tom Schuman's artistic freedom and individuality. After co-writing nearly sixty compositions for Spyro Gyra, performing in over 10,000 shows worldwide, and contributing to 35 albums that earned 13 Grammy nominations, Schuman now reveals his most personal work to date. The album's compositions range from melancholic to cheerful, capturing a spectrum of emotions that reflect Schuman's personal and professional journey.

Following his decision to relocate to Europe with his wife Yvonne, Schuman chose to move beyond his legacy with Spyro Gyra and delve into a new phase of creative exploration.

"**I Am Schuman**" is the result of this journey—a solo project that showcases Schuman's unparalleled skills as a composer, arranger, and producer.

With each track crafted from spontaneous improvisations, the album serves as a window into Schuman's soul, offering listeners a raw, unfiltered experience of his musical genius.

Tom Schuman's fans have long awaited this release, eager to hear what the masterful keyboardist has been crafting in his newfound artistic freedom.

With "**I Am Schuman**," Schuman delivers a body of work that not only honors his legacy but also sets a new standard for contemporary jazz.

The album will be available on all major digital platforms on **September 30th, 2024**.
